

## Our Products

To make the perfect drink we use the best products available:

Lavazza Super Crema coffee beans  
Ghirardelli dark and white chocolate sauce  
Monin Syrups

In addition to the normal range of espresso based drinks, we specialise in developing subtle blends of all these products to produce exciting, tasty alternatives for those of you that like to try something different! Our special drinks menu changes throughout the year to reflect the seasons and we often produce a new blend for a particular event or occasion. We like to finish our drinks off in style by dusting with real chocolate or cinnamon, drizzling with chocolate sauce or adding whipped cream, marshmallows and a Cadbury's flake.
